

Insurance Requirements

If you are completing the work yourself, we will need a copy of the Declarations Page from your Homeowner's Insurance Policy.

If you are having a contractor complete the work for you, you will need to ask them to send or fax us a copy of their Liability Insurance Certificate as well as proof of their Workers' Compensation coverage. Town of Schodack needs to be listed as a Certificate Holder and Additionally Insured. If the contractor is exempt from Workers' Compensation they must complete the necessary forms, which can be obtained in the Building Department.

This is required for ALL building permits, no matter how small or large a project may be. Please submit this with your Building Permit Application.

If you have any questions, please feel free to give us a call @ 477-7940. Our fax number is 477-7983.
