

Dear Parents,

We hope you will benefit from the convenience of the bus transportation for your child to and from Schodack Day Camp. Please keep the following in mind regarding bus transportation in the morning and afternoon:

- You MUST complete the Transportation Application and return it with your application if you intend to use the camp transportation. PLEASE BE SURE TO MARK YOUR CHILD'S BUS ROUTE ON THE TRANSPORTATION FORM. The bus routes follow this memo. Please keep the bus routes at home for your record and note that pick up and drop off times are approximate. Your patience is appreciated.

- If your child is not going to ride the bus to camp please call Sarah Lussier 331-4155 between 7:30 and 8:30am so that the bus counselor can be notified that your child will not be riding the bus.

- Most importantly, if your child is scheduled to ride the bus home each day and you will be picking him/her up or changing the afternoon dismissal schedule, please send a note to camp with your child and place a call to Sarah Lussier 331-4155 between 7:30 and 8:30am.

Thank You,

Sarah Lussier
