Re: 2002 international transmission

COMMENTS:

Included with this memo is one quote from H L Gage sales to replace the transmission with a reman unit for \$11010 90. Also included are 3 options with W&W Transmission as follows:

- 1) Remove and rebuild our transmission for \$5389 17. Price could change depending on the condition of transmission & related components etc.
- 2) Remove & replace transmission with a reman transmission for \$7433 15.
- 3) Remove & replace transmission with a new transmission for \$8258 15.

None of the quotes mention replacing the clutch. Maybe additional charge.

Hello Bruce

Here are two estimates for either us rebuilding the transmission or installing a Weller reman unit. The Reman unit is in stock in Syracuse now, and usually they have some in stock 1 or 2 days away from us if you aren't planning on doing this right away. We keep all these parts in stock as well, to rebuild the transmission. Weller also has New exchange units available and would be about \$1k more than the Reman exchange.

Let me know if you need any more info,
Thanks,
Zeke

Town of Schodack Supervisor
ATTN: Charles J. Peter
265 Schuurman Road
Castleton, NY 12033

Dear Supervisor Peter:

I am a resident of the Town of Schodack, Tax Map 189.1-3-9.
My property is adjacent to 4.9 acres owned by the Town of Schodack (Green Meadow Park)
The town property is land locked and I would like the opportunity to purchase approximately two
(2) acres of the property that borders my property line for privacy.

Please advise if the town is willing to sell the property, and, if so, what is the proper procedure to
follow, to include a lot line adjustment, and what is the lowest acceptable offer for this property.

I look forward to hearing from you regarding this request.

Sincerely,

Vicky L. Tillman
