THIS AGREEMENT, dated \_\_\_\_\_, 20\_\_, is between the People of the State of New York, hereinafter referred to as "State" or "NYSDOT" and the Town of Schodack, hereinafter referred to as "Municipality." Pursuant to Section 99-r of the General Municipal Law, the State and the Municipality wish to share services, exchange or lend materials or equipment which shall promote and assist the maintenance of State highways and provide a cost savings by maximizing the effective utilization of both parties' resources. Shared Services shall mean any service provided by one party (Provider) to another party (Recipient). The State and the Municipality agree to share services as follows:

1. Description and Cost of Services, Materials or Equipment to be shared: The Municipality will permit NYSDOT stockpile approximately 100 tons road salt in the Municipality's salt barn on NY Route 20. Access will not be provided during the Municipality's non-operational hours unless NYSDOT provides a loader. NYSDOT will arrange delivery of road salt to the Municipality's salt barn to replenish the NYSDOT 100-ton stockpile throughout the snow and ice season at no charge to the Municipality.
2. The Provider's employees shall remain under full supervision and control of the Provider. The parties shall remain fully responsible for their own employees for all matters, including but not limited to, salary, insurance, benefits and Workers Compensation.
3. If the borrowed machinery or equipment is damaged or otherwise needs repair arising out of or in connection with the Recipient's use, the Recipient shall be responsible for such repairs.
4. The Municipality agrees to defend and indemnify the State for any and all claims arising out of the Municipality's acts or omissions under this Agreement. The term of this Agreement shall be for two (2) ☐ or four (4) ☒ years from October 1, 2019 to September 30, 2023.
