INSTRUCTIONS

1. This application must be completed legibly in ink and submitted to the Town of Schodack Building Department at least 5 days in advance of the date of the display.
2. This application must be accompanied by:
 - A) Proof of Insurance or Bond (Minimum One Million Dollars).
 - B) For Outdoor Displays - A diagram of the grounds in which the display is to be held showing the point at which the fireworks are to be discharged, the location of all the buildings, highways and other lines of communication, the lines behind which the audience will be restrained and the location of all nearby trees, telegraph or telephone lines or other overhead obstructions.
 - C) A description of the number, size (in inches) and kind of fireworks to be discharged.
 - D) A description of the manner and place of storage of fireworks prior to display.
 - E) For Indoor Displays - Include a written plan for how you intend to use the pyrotechnics as required by the New York State Penal Law Section 405.10 and NFPA 1126 and shall include:
 - Proof of Federal ATF License
 - Proof of experience of the pyrotechnician in charge
 - Proof of experience with the types of devices being used and a description of duties of any authorized assistants
 - Point of on-site assembly of the pyrotechnic devices, if any
 - Certification that the set, scenery, and rigging materials are inherently flame-retardant or have been treated to achieve flame retardancy
 - Certification that all materials worn by performers in the fallout area during use of pyrotechnic effects are inherently flame-retardant or have been treated to achieve flame retardancy
 - Attach a diagram of the area where the display will take place, showing location where fireworks will be discharged from, the location of, and distance to the audience, the location of sprinklers and the fallout radius for each pyrotechnic use
 - Material Safety Data Sheets (MSDS) for the pyrotechnic materials to be used
 - A separate **OPERATING PERMIT** is required for the use of pyrotechnics devices in "Group A" Assembly occupancies
3. A walk-through and a representative demonstration of the pyrotechnics shall be approved by the Permit Authority before a permit is approved. The Permit Authority may waive this requirement based on past history, prior knowledge, and other factors; provided that the Authority is confident that the discharge of pyrotechnics can be conducted safely.
4. The work covered by this application SHALL NOT commence before the issuance of a Fireworks Display Permit.
5. Upon approval of this application, the Building Department will issue a Fireworks Permit to the applicant, together with an approved set of plans and specifications. Such permit and approved plans and specifications shall be kept on the premises and be available for inspection throughout the progress of the work.
6. Any deviation from the approved plans must be authorized by the approval of revised plans subject to the same procedure established for the examination of the original plans.

TO WHOM IT MAY CONCERN:

I attest that the information contained in the permit application is accurate, true and complete to the best of my knowledge, and I understand that false statements made in this permit application are subject to the applicable provisions of the New York State Penal Law.
