

## Schodack Supervisor's Report for May 2018

In a continuing effort to keep residents informed and aware of my activities I submit to them this summary of my report for May of 2018. As always, the full report can be found on the Town's website or it's social media pages by searching for Town of Schodack on Facebook or Twitter.

As I mentioned last month, the Town received a conceptual proposal for a project located on Route 9 slightly south of the 9&20 split. We continue to receive and review updates regarding this project. If any residents are interested in viewing these documents, they have been made available on our website at <https://www.schodack.org/planning-and-zoning> or residents can visit the Town Hall during regular business hours and review them. Please follow our social media pages or the Town's website for continued updates and announcements.

On May 10<sup>th</sup>, while conducting a traffic stop, Officer Jordan Harrington was assaulted by an occupant of the stopped vehicle. A fight ensued, during which the assailant attempted to take Officer Harrington's taser but was unsuccessful. With the assistance of a New York State Trooper, Officer Harrington was able to regain control of the assailant and received additional backup from agencies including East Greenbush, Rensselaer, North Greenbush, Nassau and The New York State Police. I visited Office Harrington shortly after the assault while he was at Albany Medical Center receiving treatment for some injuries he sustained. I thanked him for his efforts and service on behalf of our Town and wished him a speedy recovery.

With the return of the warmer weather, I'd like to invite and encourage our residents to come join us for our free "Music in the Park" series of concerts starting next week at our Town Park. Concerts take place on Tuesdays from 6-8 pm with rain dates being the following Wednesday. Concert dates for June are as follows:

June 5<sup>th</sup>: Peaceful Country Band (country from the 50's, 60's, and 70's)

June 12<sup>th</sup>: Gone Grey (Classic Rock 60's/70's)

June 19<sup>th</sup>: Triskele (Traditional and Contemporary Irish Music)

June 26<sup>th</sup>: Play Back Band (Classic Rock & Roll)

I look forward to seeing you there!
